

## Historic San Francisco Chinatown Tour and Lunch

*Presented by the Chinese American Librarians Round Table*

Judy Yung, former librarian, professor emeritus, historian, and author will guide you through a tour of historic San Francisco Chinatown. The group will briefly visit the Chinatown Branch Library, then take a two hour walking tour and panoramic view of San Francisco Chinatown. Experience Chinatown in a new way, beyond the gilded façade and exotic mystery to a new understanding of this community's history and culture. Highlights of the walking tour will include historical landmarks, buildings, temples, open spaces, and hidden alleyways...beyond the tourist attractions and delving into Chinatown's cultural mecca. Following the tour, enjoy an authentic and delicious Dim Sum lunch at a local Chinatown restaurant, and network with friends and colleagues.
