Candidates for Assembly

Gregg T. Atkins, Director, Dixon Public Library

Organizational Experience: CLA President, 1997; Chair, Community and Junior College Libraries Section, ACRL/ALA, 2000; CLA Assembly (various terms); President, Council of Chief Librarians, CCC (various terms)

Statement of Professional Concern: Working with colleagues to shape and strengthen our professional organizations so that they will ably carry our vision and voice into all arenas is a professional responsibility and opportunity that I have always made a priority. I've been very fortunate to have had opportunities to actively participate in and even lead the work of the California libraries community.

When serving in office or on a committee or for a project, I bring a willingness to work hard, stay involved, contribute actively and creatively, and look forward. If elected to the Assembly, I will be an active public libraries voice.

Louise Mazerov, *Director, Buena Park Library District*

Organizational Experience: CLA Fund Raising Committee; ALA; PLA.

Statement of Professional Concern: I have worked as a librarian in public libraries for 30 years. My experience has encompassed small, medium and large libraries; children's, reference and collection development; managing subject departments, store front and community branches and now, as a director. In each instance I have been privileged to work with teams that have always taken great pride in making the library an integral part of the local community. It is now more important than ever to make the vital role of libraries, and librarians, known throughout the state. I would like the opportunity to share my varied experience, especially in the areas of planning and marketing, as a member of the CLA Assembly. I appreciate your support.
